

AS380/15

Compact micro scrubber dryer

- for cleaning in narrow areas

Easy to maneuver and transport

www.vipercleaning.com / hello@vipercleaning.com

The Viper AS380/15 is a compact and easy to maneuver micro scrubber dryer perfect for light cleaning in narrow areas. Ensures to leave the floor clean, dry and safe.

The AS380/15 is an easy to use machine thanks to the intuitive control panel with one main switch for on/off and three for controlling main functions.

The adjustable handle makes it easy to find the correct working position and makes it easy to store as it can be folded for storage. The machine is available as both a cable and battery version.

- Ergonomic design with adjustable handle
- Easy to maneuver, transport and store
- Suitable for applications in narrow areas
- The on-board charger makes re-charging easy and convenient

Foldable handle for easy storage

Easy to use control panel with four main functions

Adjustable handle for optimal ergonomics
